4 June 1975

MEMORANDUM FOR: Office of General Counsel

ATTENTION:

SUBJECT:

to IBM

25X1A

REFERENCE: OGC Request dated 2 April 1975

1. Please be advised that, after a review of this matter by the appropriate offices, this Directorate poses no objection to the release of the sanitized version of the subject report attached to and described in your request with one exception. The source description should be eliminated in order to fully protect the source.

2. We would have no objection to permitting IBM lawyers to compare the sanitized version of the report with the original, provided they do so in the company of CIA representatives and make no notes regarding the material deleted from the source description.
